## Specialty Shapes

All Specialty shapes are available in the Kingstonian Plus and Montego lines only.

These shutters and frames are manufactured from high quality hardwoods (Basswood and Poplar) , and PVC components for Kingstonian Plus. The stain shutters are manufactured from North American Basswood.

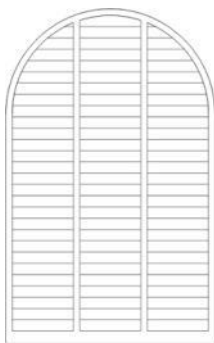

Lanco Shutters is a leader in the Specialty Shutter Sector of the industry because of the quality of us specialties and the industry- leading delivery time in which we ship Specialty orders.

## Finishing And Finishes

### We apply a standard satin finish on our paint and stain products.

Please note that match stain orders will not be manufactured until a color strike of is returned to the dealer. Please ensure that Lanco receives both paint and stain matches with orders or very early after orders are received.

Please allow five to seven (5-7) working days for turnaround of strike of.

Paint/stain names and numbers of paint manufacturers only are not acceptable, but their color chart is acceptable if sent as a sample.

Lanco requires a minimum four (4) square inch sample for paints or solid colors and sixteen (16) square inches for stains and translucent colors.

#### Important:

If color is critical, do not depend on Lanco standard paint or stain deck for exact duplication. If one of the chips on our standard deck is exactly the color required, submit the chip as a sample and add a match charge. Matching charges apply only to the standard satin finish. Please note the following variations;

#### 1. Paint Matching

Add \$65.00 per match for standard satin finish (whites and pastels). Also add FedEx charge to return strike o (approx. \$25.00). Lanco will endeavor to return strike of with regular shipment whenever possible to limit the cost of FedEx Charges.

#### 2. Stain Matching

Add \$85.00 per match for standard satin stain finish. Same return charges and conditions as Paint Matching (1.) above apply.

---

**Note Carefully:** With stains, only compatibility with tonal quality of sample can be assured because when deli with transparent finishes, there is no practical way that the physical characteristics of the sample can be duplicated. In addition, basswood absorbs stains significantly differently from other species of wood with its grains tending to have a higher level of absorbency for darker hues.

Please add \$60.00 per strike of for each strike of requested after the first two (2) strike of sent for the same s

---

3. **Wash Finish:** Add 15% for custom wash finishes. There is no guarantee that wash coats will not discolor when exposed to sunlight.
  4. **Semi-Gloss Finish:** (satin finish is standard) Add 10% (\$50.00 minimum).
  5. **High Gloss Finish:** (satin finish is standard) Add 15% (\$80.00 minimum).
  6. **Black or Deep Tones;**
    - Flat or Satin Finish : Add 20% (\$85.00 minimum)
    - Semi Gloss Finish : Add 25% (\$85.00 minimum)
    - High Gloss Finish : Add 35% (\$100.00 minimum)

## Lanco Shutters Lifetime Limited Warranty

Lanco Shutters warrants that its plantation shutters will be free from defects in materials and workmanship for as long as the original retail purchaser own the product, PROVIDED THAT (i) such products were properly installed in residential dwellings; (ii) such products were made or assembled exclusively from Lanco Shutters materials and components.

The obligation of Lanco Shutters and its distributors is limited to repair or replacement of the shutter product or components found to be defective and excludes shipping charges and costs of removal and reinstallation. Repairs will be made with like or similar parts.

To obtain warranty service, contact the dealer from whom you purchased the product. Your dealer will work with Lanco Shutters to promptly repair or replace any defective parts or components without charge. Warranty claims must be accompanied by proof of purchase (including installation information), as well as details regarding the nature of the problem, location of the product, etc.

The warranty does not cover any conditions or damages from accidents, alterations, misuse, abuse, exposure to the elements, excessive humidity, fading or discoloration over time or failure to follow Lanco's instructions with respect to measurement, installation, cleaning or maintenance. This warranty also does not cover any condition or damage resulting from removal of the product or reinstallation in the same or another window/door or application.

This warranty does not apply to conditions caused by normal wear and tear upon the product. THIS WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER OBLIGATIONS, LIABILITIES OR WARRANTIES. In no event shall Lanco Shutters be liable or responsible for INCIDENTAL OR CONSEQUENTIAL DAMAGES or for other direct or indirect damage, loss, cost, expense or fee.
